EMPLOYEE'S INSTRUCTIONS

Arizona Revised Statutes (ARS) §43-401 requires your employer to withhold Arizona income tax from your compensation paid for services performed in Arizona for application toward your Arizona income tax liability. Arizona withholding is a percentage of your gross taxable wages of every paycheck.

"Gross taxable wages" is the amount from each paycheck that will be included in box 1 of your federal Form W-2 at the end of the calendar year (i.e. gross wages net of pretax deductions, such as your portion of health insurance premiums). You may also have your employer withhold an additional amount from each paycheck.

Complete this form to elect an Arizona withholding percentage and any additional amount to be withheld from each paycheck. *Give the completed form to your employer.*

Current Employees

ALL EMPLOYEES ARE REQUIRED TO COMPLETE THIS FORM FOR WAGES PAID AFTER JUNE 30, 2010. Complete this form to elect an Arizona withholding percentage and designate an additional amount to be withheld. If you want to increase or decrease the amount of Arizona withholding in the future, you must complete this form again to change the Arizona withholding percentage or change the additional amount withheld.

New Employees

Complete this form within the first five days of employment to elect an Arizona withholding percentage. You may also have your employer withhold an

additional amount from each paycheck. If you do not complete this form, the department requires your employer to withhold 2.7% of your gross taxable wages until your employer receives a completed form from you.

Electing a Withholding Percentage of Zero

You may elect an Arizona withholding percentage of zero if you meet BOTH of the qualifying conditions for the election. You qualify for the election if: (1) you had no Arizona income tax liability for the prior taxable year, AND (2) you expect to have no Arizona income tax liability for the current taxable year.

Note that Arizona tax liability is gross tax liability less any tax credits, such as the family tax credit, school tax credits, welfare tax credits, or credits for taxes paid to other states. If you make this election, your employer will not withhold Arizona income tax from your wages for payroll periods beginning after the date of your election.

You should be aware that zero withholding does not relieve you from paying Arizona income taxes that might be due at the time you file your Arizona income tax return. Keep in mind that in order to elect zero withholding, you must meet BOTH conditions listed above. Therefore, if you have an Arizona tax liability when you file your return or if at any time during the current year conditions change so that you expect to have a tax liability, you should immediately complete a new Form A-4 and choose a withholding percentage that is applicable to your situation.
